Dear (*Patient Name*),

A statement of charges that are due on your account should be attached to this letter. The same statement has been sent to your insurance company. At this time you do not owe anything. Once the insurance company has finished reviewing the claim, they will send me an Explanation of Benefits, which I will review. After this, I will send you a second statement that will cover what your insurance has paid and what you would owe at that point.

If you have any questions regarding your statement, please contact me either by calling 608-728-3954 or emailing [brandon@daymedicalbilling.com](mailto:brandon@daymedicalbilling.com).

Sincerely,

A handwritten signature in black ink that reads "Brandon Day". The signature is written in a cursive style.

Brandon Day
