Pricing Scale:

Following is a scale of claims pricing. Prices start at \$3 per claim for initial claims and are cut in half for each following claim as shown below. Bills sent to patients that are not the initial claims, along with other services including regular meetings/reports and EOB verifications, are free of charge.

- \$3 – Initial claim either to primary insurance or patient (if not insured)
- \$1.50 – Claim to secondary insurance
- \$0.75 – Claim to tertiary insurance
- FREE – Patient bill (if not initial claim)
