## Special Deal:

Running through January 8<sup>th</sup>, 2010, when you sign up for billing services, you will receive a **FULL MONTH** free trial run. Not only that, but should you decide to continue beyond the two week trial run, a number of 'extra' services will be available free of charge. These include:

- **Patient Statement billing** – This includes sending statements out to patients verifying what is owed on their account. These will be sent out regardless of whether or not the patient owes anything that their insurance did not cover.
- **EOB (Explanation of Benefits) verification** – I will review the EOB sent out by the insurance company to verify that they are making payments according to the patient's account. If any issues arise, I will contact the insurance company to resolve the situation.
- **Regular meetings/reports to review your account** – These cover the claims filed and paid since the last meeting, what was paid by insurance, what was paid by patients, and what (if anything) had to be written off. Meetings and/or reports can be provided depending on your personal preference. The meetings can be held as often as you would like (monthly, weekly, etc.).
- **Dialogue with patients regarding their accounts** – If a patient has any questions regarding a statement, they can call/email me directly. The patient can find my contact information on a letter that I attach with the statement. A sample of the letter sent with the patient statements can be found at [daymedicalbilling.com](http://daymedicalbilling.com) under the 'Information' and 'Downloads' sections.

**Please note that at the end of the day on January 8<sup>th</sup>, 2010, the free trial opportunity will end.** Any sign up after this date will not be eligible for the free trial. For more information on this and pricing on regular services (filing of claims), please go to [daymedicalbilling.com](http://daymedicalbilling.com). If you are interested in this deal, please call 608-728-3954 or email [brandon@daymedicalbilling.com](mailto:brandon@daymedicalbilling.com). Hours are 8-6 (Monday – Friday).
